The Director had recommended the grant of a visiting fee of Rs 25 for each visit in lieu of T. A. This works to Rs. 150 for the six visits to Chennai. As regards visit to C.T. Institute, no fee has been proposed; If this rate is agreed to be paid for visits to C.T. Institute also, the sum payable would be Rs 50 & the total fee as visiting fee for all three visits come to Rs 200. Mr Frydman requests that he may be granted visiting fee of Rs 25 a visit in addition to T. A. The Director recommends the grant of the visiting fee only. Subd for orders.

school, Chennapatna or whether the fees have to be paid to the other institutions also (e.g., C.T. Institute Mysore). If he had demanded such large fees in the first instance, Government might not have permitted his visits at all. The payment of the fees for the past visits is therefore not admissible or justifiable. He has been enjoying several concessions from Government and drawing an advance of Rs. 250 per mensem to be adjusted against the profits of the factory. The profits so far earned are not adequate to meet the advances so far made and how these advances will have to be finally adjusted is still to be decided. He must have given sufficient advice by this time ^{since R. H. Intom} and if he is not willing to give further advice on the terms formerly agreed upon, ~~grant~~ viz., grant of t.a., he may be told that it is not necessary for him to pay further visits. (b) These Institutions ought to be able to get on without continuous advice from him and he may concentrate his attention on putting his own Factory in a condition in which it will earn a profit for which work he is now getting paid.

SIR,

Technical advice to the Chamarajendra Technical Institute
and the Industrial School, Channapatna, by Mr. Maurice
Frydman.

With reference to Government Order No.D.1002-3/ I & C 16-35-2.
dated the 16th August 1935 conveying the approval of Government to
the visits of Mr. Maurice Frydman to the above Institutions and
sanctioning him travelling allowance at rates prescribed for Officer
drawing Rs 750/- per mensem and above, I have the honour to forward
copies of letters dated 27th January 1936 and 12th March 1936 received
from Mr. Frydman requesting for the grant of a special travelling fee
of Rs. 25/- per visit plus the travelling allowance as sanctioned in
the above Government Order for his visits to the Channapatna Indus-
trial School.

I recommend that he may be granted the fee of Rs 25/- per visit
in lieu of travelling allowance sanctioned to him for his visits to
the Industrial School. His request that the payment of this fee
may be extended to his previous four visits to the School may be
also kindly sanctioned.

The extra cost on this account during this year may be met from
out of Rs 600/- sanctioned for the purpose.

Letter dated 27th January 1936 from Mr. Maurice Frydman, Consulting and Electrical Engineer, Bangalore to the Director of Industries and Commerce in Mysore, Bangalore.

Re. My visits to Channapatna.

Reference:- G.O.No.D.1002-3/ I & C 16-35-2 dated
16th August 1935.

May I request you to sanction a Consulting Engineer's fee of Rs 25/- per visit to be paid to me for each visit to Channapatna.

I have to spend a day each time and the travelling allowance does not even cover my actual expenses. The fund provided in the G.O. under reference is more than sufficient for this purpose. May I also request you to have your kind sanction extended to the visits I have already made on 26th September 1935, 1st November 1935, 16th December 1935 and 20th January 1936.

I thank you in anticipation and I am

FROM

S.G. Sastry, Esq., B.A., M.Sc., F.C.S.,
Director of Industries and Commerce in Mysore,

Bangalore (India).

To

M. Venkatanaranappa, Esq., B.A.,
Secretary to the Government of Mysore,

SIR,

Payment of fees to Mr. Frydman for technical advice to
Chamarajendra Technical Institute and Industrial
School, Channapatna.

With reference to your letter No.D.6762/ I & C 16-35-11 dated
7th May 1936 and D.1775/I & C 16-35 dated 5th September 1936 calling
for a report of work done by Mr. Frydman, I have the honour to state
that Mr. Frydman visited Channapatna six times on the following dates:-

1. 26th September 1935.
2. 1st November 1935
3. 23rd December 1935
4. 22nd February 1936
5. 14th March 1936 and
6. 25th April 1936.

He has made the following suggestions.

The improvement of the lacquerware industry with Channapatna as
a centre and the School as the nucleus. The establishing at Channapatna
and its surroundings an important toy making industry with a central
factory for the preparation of raw materials, manufacture of necessary
dies and equipment, issuing of new designs and patterns, the training
of the craftsmen and the joint marketing of the finished goods to pre-
vent competition, organising the artisans on co-operative basis and
starting a Co-operative Society for them with the installation of power
lathes, etc. at a cost of about Rs 75,000/-.

I have already submitted my report about the unsuitability of

of starting the Society at present (vide this office letter No. D/40/35-36 dated 3-10-36)

Mr. Frydman visited Chamarajendra Technical Institute twice on 18th February 1936 and 25th April 1936. He has suggested (1) the installation of an upto date wood working machinery so that some pieces of camp furniture which are in great demand throughout India can be made ^{at} the Institute at a cheaper cost by reducing labour (2) instead of having a regular course of study for the students as at present, it would be better to allow the students to work with the workmen, and (3) the requirements of the market to be studied and the manufacture and supply of the articles regulated according to the current fashion and demand.

He has been paid a sum of Rs 190-2-0 towards travelling allowance for all these visits as per scale fixed for him in G.O. No. D.1002-3/I & C 16-35-2 dated 10th August 1935.
